

Quiche

By Corentin

Ingredients

- Basic (you can buy it in Tesco) flaky pastry
- Onions (a lot) around 6 big ones
- 2 eggs
- Cream fresh 2 big spoons
- Grated cheese
- oil , black pepper , salt,....

Method

- Cook the onion in a frying pan with oil , salt and pepper until they are brown. You can add some honey when you want.
- Mix the eggs and the fresh cream until it is well mixed.
- Add the onions to the egg-cream-mixture.
- Cover a oven form with the pastry and full it with the mixture.
- Cover everything with cheese and put it in the oven (180 degree)
